

WBO SCHEDULE - 2026

Schedule Start Date - Saturday, February 28th, 2026.

Weeks 1, 2, 16, 17, 23 & 24 of schedule report dates are every 8 days. Each team plays 8 game series - 4 on the road and 4 at home, i.e. Week 1 begins February 28th and concludes March 7th. Other weeks are based on a Sunday completion for each week, i.e. Week 3 concludes on March 22nd and then every Sunday thereafter. Each team plays 6 games per week - 3 on the road and 3 at home.

5-7 day breaks occur 3x in the Schedule allowing teams and the Statistician to catch up. Starting pitchers can only start every 4th game, i.e. once per 3 game series and possibly twice in a 4 game series.

Game files are to be submitted once a series is complete and by the reporting date, a copy goes to League Statistician and Opponent

For final 3 weeks (Block D) of the season, all players are eligible if they have games left (i.e. rosters are expanded to 34).

For purposes of entering in the correct dates when you play your games, the team that is alphabetically first is the home team for

games 1-4 of a series; for example - the first week BRS plays BRP; since BRP comes first alphabetically, BRP would be home for

games 1-4 (February 28, March 1, 2, and 3) and BRS would be home for games 5-8 (March 4, 5, 6 and 7). For 3 game series; for example -

Week 3 BRP plays COO, BRP is the home team for games 1-3 (March 16, 17, and 18) and COO the home team for games 4-6

(March 20, 21, and 22). Thursday (March 19) is a travel day. Scorebooks should be saved using the following form: 03-16-24 Cooperstown Cardinals

at Boca Raton Pinstripes (Game 1).sbk
